Needs List

Another excellent way to help the programs here at YMCA Camp Y-Noah is for individuals or corporations to make donations in-kind; materials needed to operate the facilities and programs to the highest of standards. Your donations are greatly needed to continue expanding our Outdoor Education, Equestrian, Summer Camp, and Weekend Programs. All Material and cash donations are fully tax deductible. Please contact Dale Kuntzman, Maintenance Director at 330-896-1964 ext 129 for specific information about donating materials in-kind. If you have something that you think might be of use to us that is not listed, please call.
