Community & Eagle Scout Project Ideas

Every year hundreds of volunteers give thousands of hours or time volunteering to improve the facilities and programs here at Camp Y-Noah. If you or your organization is interested in volunteering at Camp Y-Noah please contact Tom Johnson, Grounds and Maintenance Director at (330) 896-1964 ext 129.

These are just some projects that we have outlined as possibilities for Community Groups, Girl and Boy Scout Troops or Eagle Scout candidates could complete here at Camp Y-Noah:

Dam Steps - This project consist of building steps down the face of an earthen dam on the west side of the lake.

Bridge Construction — This project consist of building a bridge over and 2 towers over a 20 foot wide creek.

Reflection cross— This project consist of clearing an area on the far side of the lake, and installing a cross to be viewed from Main Camp.

Cable Ferry — This project consist of building a raft to hold 15 people and installing a cable across the lake.

Perimeter Running Trail Construction– This project consist a planning, mapping, marking, and clearing a trail the travels the entire outside perimeter of the 280+ acre camp.

Carpet ball Game Construction— This project consist of building two carpet ball courses to be placed on the lower Kastner Deck.

Fence Replacement— This project consists of replacing multiple sections of pasture fence with new 4x4's and wire fencing, and the painting or replacing pasture gates that require it.

New Directional Signs— This project consists of router-ing approximately 25 additional wooden directional signs. The signs are needed to assist campers in finding their way around the facility.

Jungle Gym and Swing set – This project would consist of constructing a jungle gym and swing set for camp-ers to play outside the camp dining hall.

Trail Marking, Clearing and bridge construction– This project consist of building a 6 foot wide bridge on wet sections of the lake trail.
