

A Note about your May Dues to the Akron Area Y

If you have already put your membership on HOLD, you do not need to contact us. Please disregard this email.

Business as usual is unusual.

As you know, our branches have been closed since March 16. We did not charge membership dues in April. We did plan to open at the beginning of May, but COVID-19 and the health and government team working on solutions, had a different timeline.

To this point --

We contacted to our members through email, a letter and Facebook posts -- concerning the May 1 draft. In those communications, we requested that the May 1 draft be charged to a Member's credit card and considered a donation to the Akron Area YMCA - UNLESS THE MEMBER CONTACTED US to do otherwise.

This caused a bit of confusion/controversy -- which we sincerely hope to alleviate with your **scheduled draft on May 15.**

If you would permit the Y to use your May dues as a donation -- WE SINCERELY THANK YOU. You do not need to do anything before May 14. Our Development Department will be notified of this donation and you can rest assured that your generosity will be used by the Akron Area Y to continue to operate our (4) Pandemic Child Care Centers and respites sites, for medical and safety personnel, at Kohl Family Y and Camp Y-Noah.

If you wish to put your membership on HOLD -- please CONTACT US by NOON on 5/14.

YMCA staff will be in their locations from 9 a.m. - 1 p.m. Monday through Friday to personally take your calls and handle your account in the manner you desire. **Branch emails and phone numbers are listed below.**

We will re-open just as soon as we are able, adhering to to all means and methods to keep everyone who walks through our doors safe and healthy.

Please know that our mission to *strengthen the community* is steadfast. We have been reaching out to our most vulnerable populations via phone calls and errand runs, offering virtual workout options via Facebook and trying to communicate to you in a timely, positive and complete manner.

Thank you for Sticking with Us.

We look forward to seeing you in person.
