SUMMER CHILD CARE UPDATE

The Longwood Branch YMCA opens on Monday June 8th!

This summer will look different from YMCA summers in the past. Below are the main changes we will be making due to COVID-19:

- No transportation or field trips. As of right now, we are not allowed to go outside of our YMCA campus.
- Group and classroom sizes are limited to a 1:9 ratio. This means that we will only have groups of nine children and one counselor at a time. These groups of nine children will not mix with other groups and will be separated all summer.
- During the day, we will plan to rotate throughout our campus for activities. This includes the gym, playground, gaga pit, pavilion, and other outdoor spaces. Shared spaces will be disinfected between groups.
- Parents will not be allowed to enter the building. We will have a pick up/drop procedure in place that allows for limited contact.
- Staff will be wearing masks. Masks for children will not be required, but will be allowed.
- Staff and children will be required to follow strict hand washing and sanitizing guidelines throughout the day.
- There will not be camp t-shirts this year, since we will not be attending any field trips.
- The \$40 registration fee will be waived for all participants.
- The weekly \$10 deposits will be eliminated this year. We'll simply auto draft the full weekly payment on the Friday prior to the week of service.
- The weekly fee will remain at \$190/week (\$170/week for members). Taking into consideration increased staffing costs and cleaning requirements, we need to keep camp the same price in order to be fiscally responsible.

If you register, you will receive more details and FAQs prior to your child's first day.
