How Do I Watch Y360 Videos

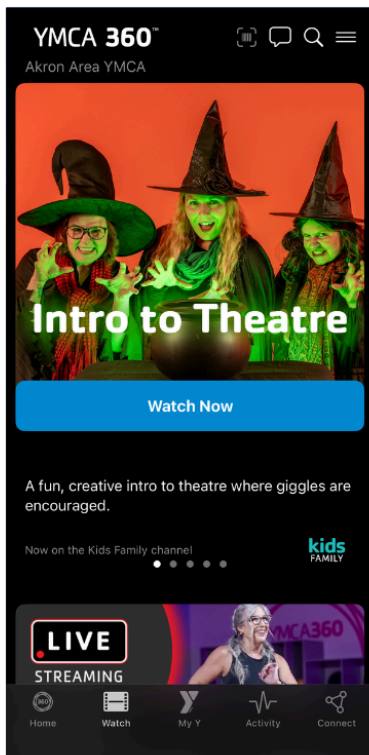

# Videos: How do I watch Y360 Videos

## Watching Y360 Videos

Start off by opening the Y360 app.

Once you are on the homepage, select the "Watch" tab at the bottom of the screen.

This will take you to the videos section of the app.

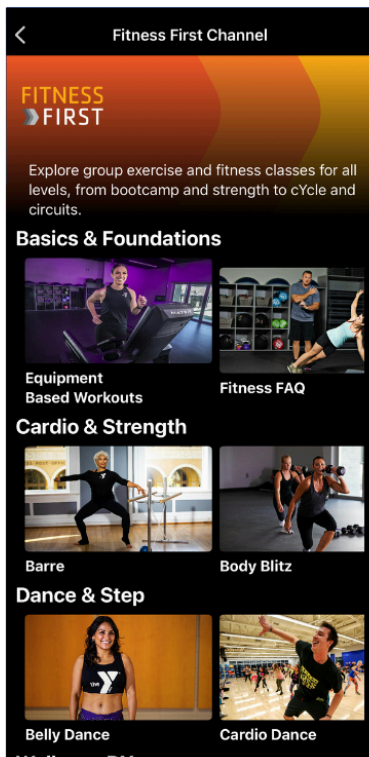

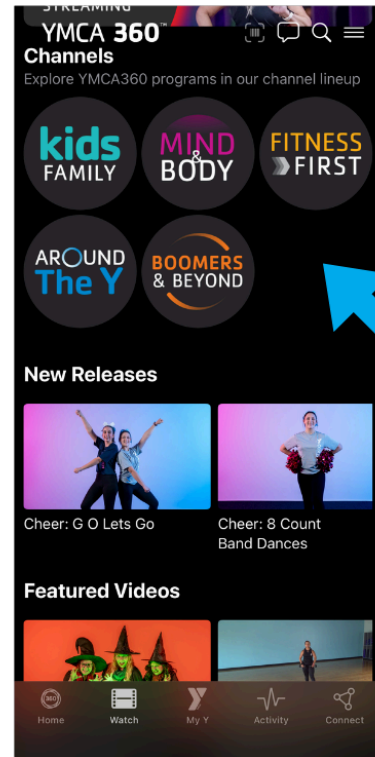

From here you can scroll down to the video categories, see new releases, featured videos, and curated playlists.
