### IMPORTANT DATES & INFORMATION:

**ALL swimmers ages 12 and under must have a wristband on before entering the water. Please remember to get your non-swimmer's red band or your swimmer's green band from the front desk.**

**Water Play Features** may not always be operational during Open Swim times. They will be on during Family Swim. It is the Lifeguard's discretion to turn them off for safety reasons or programming.

### NOTES

Parents with children ages **5 years & under** must be in the water and within arm's reach of their child, and must remain where the parent can touch the bottom. Children ages 6-10 must have a parent on the pool deck at all times. We strongly recommend that parents of non-swimmers be in the water within arm's reach of their child, regardless of the child's age.

All swimmers ages 6 - 12 must be swim tested. Testing will be conducted when additional Lifeguards are on duty and available to do so.

**Water Play Features may not be operational during open swim times. Please ask the Lifeguard or other aquatics personnel to turn them on.** It is the Lifeguard's discretion to turn them off for safety reasons or programming.
