Dear Parents:

Welcome to the wonderful world of the Riverfront YMCA! The Y has been serving the child care needs of our community for over 30 years. We were one of the first organizations to recognize parents' needs for quality care for their children. Nationally, the Y is the largest provider of non-government child care. In Summit County, we are also the largest provider of child care.

We are a Christian organization and we take the "C" in our name seriously, not in an exclusive manner, but in an inclusive way. We welcome people of all faiths in our Y. We believe in the Christian values of caring, honesty, respect, faith, and responsibility. You will find them implemented in our day-to-day operations, in our interactions with our families, staff, and the child in our care. We feel it is important to incorporate these values in our curriculum knowing they are the same values you hold dear to yourselves and your families.

It is the mission of the Y "to put Christian principals into practice through programs that build a healthy spirit, mind, and body for all." Financial Assistance may be available through our "Annual Campaign Program" to those who qualify.

Please read this handbook carefully. If you have any unanswered questions, please contact us at 330-923-9622.

We look forward to serving you and your children!

Sincerely,

INTRODUCTION

The Riverfront YMCA's Preschool, Before and After School Enrichment & Summer Day Camp programs are licensed by the State of Ohio to legally operate a child care center. The Ohio Department of Job & Family Services (ODJFS) issues the license. The license is posted at your child's center. The Laws and Administrative Rules governing child care in Ohio are available for your review at the center upon request.

The child care center is owned and operated by the Akron Area YMCA. The Center is financed through program fees, Title XX (government funds for low income families), United Way and contributions (money raised by parents, volunteers, board members and staff).

All child care staff meet or exceed standards set forth by the State of Ohio for education and training. Background checks are done on each staff member and regularly scheduled volunteers. Three references are required for each employee. All of this occurs following a thorough interviewing process.

PHILOSOPHY AND GOALS

The Y believes all children should have the opportunity to grow, learn and develop to their fullest potential. We recognize and accept each child as a unique individual with his/her own strengths and challenges and rate of growth and development.

Every child grows and develops physically, intellectually, emotionally and socially. A child grows physically through active participation in motor activities, develops emotionally and socially by becoming aware of his/her own feelings and those of others, and develops intellectually through problem solving experiences.

To assist all children in achieving their potential, our child care team is committed to knowing each child individually. Knowing how each child grows, feels, and interacts enables our staff to plan appropriate experiences and curriculum.

The goal of this center is to help your child (ren) learn to live comfortably with him/herself, as well as interact with others. Because children learn from what they see, hear, and experience, we aspire to provide them with positive role models in a safe, healthy, warm environment. Our qualified and caring staff members supervise age appropriate activities. Because we know the value of quality care and guidance during these impressionable years, the staff works to help each child:

- ✓ Expand his/her world by exploring and experimenting with the environment
- ✓ Respect the rights of others
- ✓ Recognize and solve problems
- ✓ Accept responsibility for his/her actions.
- ✓ Express feelings and emotions (through art, stories, music, etc.)
- ✓ Develop fine and gross motor skills through active play and manipulative activities
- ✓ Gain an appreciation for learning

The Y adheres to the belief that the family is the primary unit in the child's life, with child care being a secondary, supportive unit. We believe that becoming partners with parents in sharing ideas and in creating solutions to child rearing challenges is the best atmosphere for having a positive impact on a child's development. Such relationships give the child a feeling of security, which will add to the benefits s/he receives from experiences in the program.

ADMISSION

A child is considered enrolled in the center only after the **\$40.00 Registration Fee is paid and/or auto draft enrollment is completed**, and **ALL** required paperwork (registration packet and health information) has been received. Parents and guardians are required to disclose all medical, physical or behavioral issues at the time of the child's enrollment. For the safety of your child, and so current information is always on file, any changes to registration or medical information must be immediately communicated to the directors.

For Preschool-aged children only: A medical statement (ODJFS form #1305) signed by a physician or certified nurse practitioner is required to be submitted within 30 days of admission for preschool enrollees only. This medical must be updated every 13 months.

All children must be 100% toilet trained. We do not accept children whose parents refuse permission to transport in case of an emergency or evacuation. Refer to *Field Trips/Transportation and Accidents/Emergencies* for more detailed information.

PUBLICALLY FUNDED CHILD CARE

The Riverfront YMCA Before and After School program and Day Camp program does accept Ohio Child Care Time, Attendance and Payment Information system (TAPs). In the event your TAPs has stopped or expired, your child will be unable to attend until a new authorization has been submitted to the YMCA. If receiving TAPs assistance, a child may not be considered enrolled until the center has received the written authorization form from the Summit County Department of Job and Family Services. The parent or guardian use the mobile TAP System at the time of service and must be completed daily.

HOURS AND DAYS OF OPERATION

Day Camp is in operation Monday through Friday, 7:00am – 6:00pm. Before Care during the school year begins at 7:00am at Cuyahoga Falls, Stow Schools and Woodridge schools. After Care ends at 6:00pm. The center will close to observe the following holidays: Labor Day, Thanksgiving Day, the Friday following Thanksgiving, Christmas Day, New Year's Day, Good Friday, Memorial Day and Fourth of July. Full tuition is due for the weeks in which these holidays occur. During summer months, day camp activities begin at 9:00am and conclude at 3:30pm.

Inclement Weather (for year-round programs)

On rare occasions, it may be necessary to close/delay opening the center due to extreme weather conditions. We will make every effort to open our doors at the normal time. If a snow day or other weather related closing is declared by Cuyahoga Falls City Schools, call the center to determine if staff is present and the center is open per the Fun/Snow Day schedule. We strive to keep our centers open to provide the care you need regardless of the weather. However, there may be times when we elect to delay opening to allow staff to arrive safely. When closing is necessary, regular payment is expected. To find out the status of our center, please refer to the following options:

1. Log on to www.wkyc.com and check i-Alert.
2. Turn on your TV to Channel 3.
3. Go to <http://www.wkyc.com/about/text-alerts/> to sign up for free text alerts that will send i-Alert notifications directly to your mobile device for your chosen schools.

STAFF / CHILD RATIOS AND MAXIMUM GROUP SIZE

The license capacity for Riverfront YMCA Preschool and School age Enrichment is limited to 164 enrollees. Please take the time to read the attachment about licensing and other valuable information at the end of the handbook (refer to OAC on p.16).

The center meets or exceeds the staff: child ratios set forth by the State of Ohio.

1:12	Young Preschoolers (at least 3 years and less than 4 years)
1:14	Older Preschools (at least 4 years and not eligible for Kindergarten)
1:18	Young School-agers (eligible for Kindergarten or above and less than 11 years)
1:20	Older school-agers (at least 11 years and less than 15 years)

A group is defined as a given number of children assigned to a specific child care staff member. The maximum combined group size shall not exceed twice the maximum number of children allowed per staff member. Limitations do not include naptime, meal time, field trips, or outdoor play. **Ratios for preschoolers may be doubled for no more than 2 hours at naptime as long as all children are resting quietly on their cots and enough staff is in the building to meet the regular required staff/child ratio if there is an emergency.**

Absent staff are covered by substitutes on call. The program may also have ECE or other vocational education students on staff. Please take the time to get acquainted with all child care personnel.

TUITION/FEES AND PAYMENT POLICY

Fun Days (for year-round programs)

Fun Days are offered on days Cuyahoga Falls City Schools are off due to a holiday, conference, teacher in-service, etc. A child is not considered registered until all paperwork is complete and all fees are paid (registration fee and tuition). If a child is signed up for a Fun Day by the given deadline, they will be considered "pre-registered" and the cost will be \$45 or \$45/day for school-agers. A child is not guaranteed a spot if not turned in by the deadline.

Cancelation Policy/Withdrawal Policy

The center's director must be notified in writing of vacation/cancelation dates no less than 7 days in advance. If notification was not given on time, the normal rate will be charged for that time. Without proper notice, you will be responsible for paying your weekly/monthly fee. In the event of illness, weather related, or unforeseen events, full payment is expected. All fees are non-refundable and non-transferable.

Monthly school fees (preschool) may not be canceled for any reason other than a permanent withdrawal from the program. All fees must be paid in full at the time enrollment is terminated.

If you are paying monthly tuition for our preschool programs, you cannot delete weeks to adjust the monthly payment. Our monthly preschool prices are a yearly tuition spread out evenly over the 9 month period.

Delinquent Accounts/Returned Payments

1. Outstanding balances of \$100.00 or more or that are 30 days in arrears may be turned over to collections.
2. A \$10 service charge is assessed to cover our direct costs of processing any NSF payments.
3. If your child care payments fall one week behind, your child may not attend until the balance is paid or a payment plan is worked out between you and the billing agent.
4. Parents with any outstanding balance at any facility within the Akron Area YMCA Association will be unable to register for any programs or memberships until the balance is paid.

Late Pick-Up Charges

If a parent realizes circumstances beyond his/her control are going to delay pick-up, a phone call is requested. A late pick-up fee in the amount of \$15 for every 15 minute increment per family will be imposed if children are picked up after the closing time. This applies to Title XX recipients as well. **If a child is picked up late more than twice, the director may request a conference to discuss alternate arrangements for the child's transportation.**

ARRIVAL/DEPARTURE

Parents are required to bring their child/children to their child's designated age group area inside the building. Parents need to sign in their child on the appropriate sheets. The signature must include their full name. Any special messages, such as special pick-up notes, etc. are to be given to the staff person on duty to the attention of the Child Care Director. **Children may not be dropped off at the entrance to the building or be sent inside alone. Staff must be made aware of each child's presence before the parent departs.** At the time of pick up, parents will go to their child's designated area and sign their child out on the appropriate sheets. The signature must include their full name. Parents are responsible for the supervision of their child before and after sign in/out.

SUPERVISION POLICY

Supervision of Preschool Age Children

At no time will a child be left unattended. Staff will supervise children at all times, including naptime. If a child becomes ill, s/he may be isolated in a section of the room not in use, but within the sight and hearing of a child care staff member.

Supervision of School Age Children

School age children may run errands inside the building, use the restroom, or engage in a short term activity which poses no physical risk to their safety alone or in groups of no more than six children without adult supervision as long as the following conditions are met:

- ✓ Children are within hearing distance of a staff member.
- ✓ The staff member checks on the children in kindergarten through third grade at least every 5 minutes.
- ✓ The staff member checks on the children in fourth grade or higher at least every 10 minutes.
- ✓ The center has exclusive use of the child care space being used by the children.

Children Arriving to the Center

At times it may be necessary for a child to arrive at the center from another program. (Example: Child arrives after part-time Head Start or a school-ager arrives at the center after school.) If a child is scheduled for after-school care and is not at the school for pick-up (nor has not been dropped off to center when expected), staff will first confirm child's attendance in the preceding program. Then staff, in consultation with parent, will determine further action. **For this reason, it is very important that parents contact the center when their child is not going to be attending prior to expected arrival time.** Further action could entail contacting the police. If the parent(s) is not available, staff will immediately contact the police.

School Delays/Cancelations

Our program will operate a full day program for school-agers when school is closed for vacations, or holidays (refer to Fun Day/holiday break schedule). Due to staffing issues, we may be unable to accommodate *emergency* school closings (ex. power outage), but will accommodate most Snow Days. Delays or late start may apply (refer to Inclement Weather policy).

Before care programs located at the schools will not operate if the school district calls for a 2-hour delay.

Release of a Child

An "Authorized Persons to Pick up Child" form is included in the parent registration packet. Children will only be released to those listed on that form. If someone not listed on the form is needed to pick up the child, the parent/guardian must call the Child Care Director/Day Camp Director with the name and description of the adult they are designating for child pick-up. Staff will require identification before releasing the child. Please let people know about this ahead of time so they bring a picture ID and they are not offended. The children's safety is our priority!

The following policy pertains to authorized persons arriving to pick up a child in our care who appear to be under the influence of alcohol or other substances.

- ✓ A custodial parent **cannot** be barred from taking their child home. If it is a person other than the custodial parent, staff will contact the custodial parent before releasing the child.
- ✓ Staff may consider counseling the custodial parent, who appears impaired, to call another person to drive the family home. Staff will emphasize the Y's values and commitment to the safety of the children.
- ✓ If this is a recurrent problem, staff will consult with the director (s), who may involve authorities.
- ✓ Please be sensitive to staff and not put them in a position where they may need to take these actions.

Stranded Child Policy

If we haven't been notified that a child will be picked up late, staff will first attempt to reach parents/guardians, followed by those persons authorized to pick up the child if the child remains at the center more than 10 minutes after closing. If we are unable to contact a parent/guardian or authorized person within one hour of closing, we will contact the Summit County Children Services.

Custody Agreements

If there is/are custody issue(s) involved with your child(ren), you must provide the center with full court papers indicating who has permission to pick up the child. The center may not deny a parent access to his/her child without proper documentation.

Child Abuse Reporting

All staff members are mandated reporters of child abuse. If staff suspects a child is being abused or neglected, they **MUST** make a report to Children's Services Bureau (CSB). The safety of the children is always our first concern.

Transitioning for Preschoolers

When children transition into our program, the parents/guardians can schedule a tour of the center and meet their child's teacher. Each child is provided a cubby space for personal items (as well as a cot if enrolled in the "all day" program). They also sit down with the Child Care Director to discuss/review the parent handbook and ask any questions they may have.

When a child transitions from one class to another, the parents/guardians set up a time for the child to visit the class/teacher into which they are transitioning. As part of the procedure, center staff will develop a transition plan. This plan will include the beginning and ending date of the transitioning period and include a transition schedule. The plan will be signed by the parent. Parents may also request to have their child transitioned. All transitions must be approved by the child care director or branch director.

When a child is transitioning out of our program to attend kindergarten, we provide the children with a Transition Skills Summary (TSS) assessment. The results of the TSS are sent to the parents/guardians, as well as to the kindergarten the parents/guardians have chosen to send their child. The center also has a preschool graduation ceremony for the children attending kindergarten in the fall as a way to say goodbye to their friends and teachers.

When a child is transitioning out of our center to a different child care center, they are given the opportunity to say goodbye to their friends and teachers before they leave.

Transitioning for School-Agers

When children transition into our program, the parents/guardians can schedule a tour of the center and meet our staff. They also sit down with the Child Care Director to discuss/review the parent handbook and ask any questions they may have.

For a child to transition from the younger room to the older room, their age, maturity, and grade level are all considered. The transition is discussed with the parents beforehand. The child is also prepared for the transition by giving them opportunities to meet the staff, and children, in that room.

Records Transfer Policy

When children transfer out of our program to attend a different program/center, the Childcare Records Transfer Request Form must be completed by parent/guardian within a year of disenrollment. This form can be obtained by contacting the Child Care Director.

FIELD TRIPS/TRANSPORTATION OF CHILDREN

The center will not transport children in medical emergency situations. If a child requires transportation, the parent or the emergency squad will transport.

Field Trips During the School Year

There will be no field trips taken for the school agers in the Before and After School Enrichment programs.

The Y will not be providing transportation for scheduled field trips during the school year. Preschool classes may plan "occasional" trips (fewer than three times per calendar year) that will utilize the assistance of parents to transport their own children. Parents, who are not employed by the center, who use their vehicles for transportation to occasional field trips, shall not have to meet the state requirements of rule 5101:2-12-14, paragraphs (C), (D), (E) and (F), referring to annual inspections, weekly inspections, and exiting drills. If a parent is transporting someone else's children as a representative of the center, then that parent must be accountable for the child when they are picked up from the center or in the center's care, custody, and control. Before departing the center, a count will be taken of all of the children, and each will be marked on a separate attendance sheet, specifically created for the trip. Upon arrival at the destination, another count will be taken to assure all of the children have safely arrived. This process will be repeated upon leaving the destination, and returning to the center. **During the course of field trips, each staff member will be responsible for supervising specific children.** Before any child participates in either a routine trip or field trip, the center will obtain written permission from the parent or guardian.

Field Trips During Summer Camp

The center will be providing transportation for routine or scheduled field trips using vehicles operated by the Cuyahoga Falls City School District. A staff member with First Aid, Communicable Disease and CPR trainings will be present in the vehicle. Before departing the center, a count will be taken of all of the children, and each will be marked on a separate attendance sheet, specifically created for the trip. Upon arrival at the destination, another count will be taken to assure all of the children have safely arrived. This process will be repeated upon leaving the destination, and returning to the center. During the course of field trips, each staff member will be responsible for supervising specific children.

Before any child participates in either a routine walk/trip or field trip, the center will obtain written permission from the parent or guardian. This includes routine walks around the neighborhood of the YMCA, to Oak Park, and to the splash pad on Front Street. While on routine walks, children will be wearing an ID bracelet, an extra adult will accompany the group, and staff will safeguard the roads when children are crossing.

Swimming Information

Swimming may consist of trips to pools. Swimming in lakes, rivers, ponds, creeks, or other similar bodies of water is prohibited. A lifeguard will be present at all times and child care staff will also be actively supervising children. Parents will be provided with permission slips ahead of time. **Permission slips must be signed for a child to participate in any swimming activity.** The permission slip will also include the staff/child ratio that will be followed while the children are at the pool or lake and will specify if additional adults will be in attendance. Please remember to send bathing suits and towels for your child. Sunscreen must be accompanied by a medication form (JFS form #1217). Please consider providing a lightweight, long sleeve shirt and a hat for additional sun protection.

GUIDANCE POLICY

Akron Area YMCA child care staff believes helping children learn self-control is very important. Our hope is each child will learn self-discipline through careful guidance. Your child will be treated with love and respect. If children are treated with respect, they in turn learn to respect the teachers and their friends. Our expectations will be kept within the child's capabilities and the child will be made aware of these expectations. Positive reinforcement (commenting on children doing the "right" thing) and positive redirection (removing the child and giving him/her an appropriate activity) will be used.

A child may be asked to sit for a short period of time to give the child a chance to regain control if he/she is having a difficult time. Time-outs will be age appropriate in length and done within the classroom. Staff will not impose punishments for failure to eat or toileting accidents. **This discipline policy applies to all staff and parents while at the center.**

If a situation arises where a child is consistently endangering him/herself, peers or staff, it may become necessary to terminate care. Every attempt will be made to work together with the parents and the child to correct the behavior. However, the safety of children is always our primary concern. The director would be in communication with the parents prior to this occurring.

If the child demonstrates behavior that requires frequent "extra attention" from the staff member, we may choose to develop and implement a behavior management plan in conjunction with the parents/guardians consistent with Rule 5101:2-12-19 of OAC.

The Y does reserve the right to terminate a child's enrollment for disciplinary or other reasons at any time.

BEHAVIOR MANAGEMENT POLICY

Akron Area YMCA child care staff believes helping children learn self-control is very important. Our hope is each child will learn self-discipline through careful guidance. Your child will be treated with love and respect. When possible, methods such as positive reinforcement (commenting on children doing the "right" thing) and positively redirecting the child to an appropriate activity will be used. It is our policy to teach children to be successful in the child care environment.

If the child receives more than three minor behavior reports within a semester/summer the YMCA may put into place a behavior management plan in conjunction with the parents/guardians. A behavior plan can be implemented immediately if a child exhibits behavior that is classified as a major behavior.

Because there are such a wide variety of behaviors that children display, the YMCA reserves the right to make the decision to suspend or expel a child at any time based on the physical or emotional safety of the child, other children in the program, and the staff. In such a situation, parents may be called to come pick-up their child immediately or the child may be separated from the group for the remainder of the day.

Minor Behaviors – Minor behaviors are classified as behaviors that may cause disruption but can be redirected by staff. Possible behaviors include but are not limited to: Horseplay, defiance, biting, disrespect to peers, and disrespect to staff, verbal confrontation, and profanity.

Major Behaviors – A major behavior is any behavior that infringes on the health and safety of any child or staff. These behaviors will result in an automatic behavior report and a

minimum 24 hour suspension of child care services. Possible major behaviors include but are not limited to: Physical Aggression, harassment, elopement from program group, and threats of physical violence, bullying. Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose. The final classification of a major vs. minor behavior lies with the director.

CONFIDENTIALITY POLICY

The YMCA will only discuss a child's behavior/consequences with the parent or guardian of that child. The YMCA considers personal information to be confidential and has policies and procedures in place to protect it against unlawful use and disclosure. By "personal information," we mean information that relates to your child and family. All children and family personal information will remain confidential and the YMCA is not sharing any of that information with anyone without parent/guardian permission. Any information of a confidential nature will be shared only with those who need to know.

LUNCHES & SNACKS

By state licensing rules, all lunches shall meet 1/3 USDA guidelines. This includes lunches provided by parents. The USDA requirements for school age children are: one serving of fluid milk/dairy, one serving of meat or meat alternative, two servings of fruits and/or vegetables, and one serving of bread or grains.

No child shall go longer than 4 hours without being served a snack or meal, except when sleeping. Preschoolers (and school age children on fun/snow days) will be served ½ cup fluid 1% or skim homogenized vitamin A and D fortified milk at lunchtime during the school year. Please let us know ahead of time if your child is not permitted to have any type of foods due to allergies or religious beliefs. See **Food Supplements or Modified Diets** for additional information.

ACCIDENTS/EMERGENCIES

The center has devised several procedures to follow in the event that an emergency would occur while a child is in the center's care. In the event of a fire, or tornado, staff will follow the written instructions posted in each classroom, describing emergency evacuation routes, and the procedures to follow to assure children have arrived at the designated spot. In order to prepare children for the unlikely need to evacuate, the center conducts monthly fire drills, monthly tornado drills during tornado season (March-Sept), and quarterly lockdown drills. Should we need to evacuate the grounds due to fire or weather conditions, or the loss of power, heat, or water to the center, our emergency destination is DeWitt Elementary School, located across the street from the Riverfront YMCA. In the unlikely event that there would be an environmental threat or a threat of violence, the staff will secure the children in the safest location possible, contact and follow the directions given by the proper authorities. Parents will be contacted as soon as possible to come to pick up their child. If a parent cannot be reached, we will contact the emergency contacts as listed on your child's enrollment information.

There is always one staff member present that has received training in First Aid, CPR, Communicable Diseases, and Child Abuse. In the case of a minor injury/illness staff will administer basic first aid and TLC. If the injury/illness is more serious, first aid will be administered and the parents will be contacted immediately to assist in deciding an appropriate course of action. If the injury/illness is very serious, staff will contact 911 and then the parents. A staff member will accompany the child to the hospital with all available health records. Staff may not transport children in their vehicles. Only parents or EMS will transport.

An incident/injury report will be completed, and given to the person picking up the child, on the day of the incident/injury if any of the following occur: the child has an illness, accident, or injury which requires first aid; the child receives a bump or blow to the head; the child has to be transported by emergency squad; or an unusual or unexpected event occurs which jeopardizes the safety of the child. If a child requires emergency transportation, the report shall be available within twenty-four hours after the incident occurs. The center shall also contact licensing personnel from the appropriate ODJFS office within 24 hours when there is a "general emergency" or "serious incident, injury or illness." The follow up report will be provided to licensing staff within 3 days of the incident.

The Y does not accept children whose parents refuse permission to transport the child in case of an emergency (refer to page 3 of ODJFS form #1234 in the registration packet).

MANAGEMENT OF ILLNESSES

We provide the children with a clean and healthy environment. However, we realize children become ill from time to time. If this is your child's first group care experience, it is possible he/she may experience more frequent illnesses at the beginning before his/her immune system becomes more active. We observe all children as they enter the program to quickly assess their general health. **We ask that you please not bring a sick child to the center.** We will be contacting you to take your child home, as we are unable to accommodate mildly ill or sick children. We encourage you to plan ahead for these times and have a back up care plan in place if you are not able to take time off from work/school.

A child with any of the following symptoms will be isolated and discharged to the parent or emergency contact:

- ✓ Temperature of at least 101 degrees F (100 degrees if taken axillary) when in combination with any other signs of illness
- ✓ Diarrhea (more than three abnormally loose stool within a 24 hour period)

- ✓ Severe coughing (causing the child to become red in the face or to make a whooping sound)
- ✓ Difficult or rapid breathing
- ✓ Yellowish skin or eyes
- ✓ Redness of the eye, obvious discharge, matted eyelashes, burning, itching
- ✓ Untreated skin patches, unusual spots or rashes
- ✓ Unusually dark urine or grey or white stools
- ✓ Stiff neck with an elevated temperature
- ✓ Evidence of untreated lice, scabies or other parasitic infestation
- ✓ Vomiting more than once or when accompanied by any other sign of illness
- ✓ Sore throat or difficulty swallowing

Any child demonstrating signs of illness not listed above will be isolated and carefully observed for symptoms. The parent will be notified. If a child does not feel well enough to participate in center activities the parent will be called to pick up the child. Anytime a child is isolated he/she will be within sight and hearing of a staff member. The cot and any linen used will be washed and disinfected before being used again.

Please notify the center if your child has a communicable disease. Parents will be notified by letter, email, posted notice or telephone of any communicable diseases at the center.

Please notify the center by 8:30AM if your child will be absent due to illness. Children will be readmitted to the center after at least 24 hours of being free of fever and other symptoms. This includes head lice and nits. If they are not symptom free, a doctor's note will be required stating that the child is not contagious.

The Sick Care Center, part of Akron Children's Hospital, located in the Considine Professional Building, Suite 2400, offers sick care 6:30 am – 9:30 pm Monday – Friday at a cost of \$60/day. For reservations, call (330) 543-4000.

MEDICATIONS

The center will administer medications to a child only after the **Request for Administration of Medication** form (JFS 1217) is completed. All proper sections must be completed and the medication handed to the staff person. The prescription must be in the original container with the prescription label attached to the medication. The label must contain the child's full name, dated within the last twelve months and the exact dosage to be given and the means of administration. Medications will be stored in a designated area inaccessible to children and either returned to parent or disposed of when no longer needed or it has expired. **After each program, it is the parent's responsibility to pick up any medication stored at the facility. Any medication not picked up at the conclusion of the program will be disposed of within one week.**

Medications may **NOT** be stored in a child's cubby or book bag. The only exception to this is for school age children who require the immediate use of an inhaler or diabetic equipment and medication for a medical condition. School age children will be permitted to maintain control of their inhalers and diabetic equipment and medication. Parents must sign a release form stating that they are permitting their child to have access at all times to the inhaler and/or diabetic equipment and medication. The child must keep the inhaler, diabetic equipment, and/or medication on his/her person at all times; it may not be stored in a cubby or book bag. Anytime the child is unable to maintain control of the inhaler, diabetic equipment, and/or medication, it must be handed directly to the staff member responsible for the child.

Over the counter medications are only administered with current written permission from the child's physician along with instructions for administering. In addition, over the counter medications will not be administered for more than three days without instructions from a licensed physician. Administration or application of medication must be documented on the prescribed form.

For the topical application of over-the-counter products including **sun screen and bug repellent** a completed "Request for Administration of Medication" form must be signed by parent/guardian.

Food Supplements or Modified Diets

If your child requires a food supplement or a modified diet, you must secure written information from your physician. This information must be completed on a "Request for Administration of Medication" form (JFS 1217).

TOILETING POLICY

If your child is registered in our Preschool, Before and After School Enrichment, and/or Summer Day Camp, they must be *fully* toilet trained. Due to licensing standards and staffing ratios these programs are not able to change and/or assist with toileting, this includes but not limited to: changing diapers/clothes, assisting in wiping, etc. If your child has more than one accident in a week span, a conference must be scheduled with the director. Dismissal from the program may be recommended if a child has continuous accidents.

OUTDOOR PLAY

Research has shown children stay healthier when they have daily outdoor play. Based on this information and state requirements, outdoor play will be included in our program on a daily basis. We will limit the amount of time outside when the temperatures are very warm or very cold. Children will not be taken outside when the temperature (wind chill factored in) drops below 25 degrees and when the temperature exceeds 90 degrees. If the situation requires it, we will also adjust outdoor time due to rain, threatening weather, etc. On days outdoor play is not provided due to these conditions, we will include a time for indoor gross motor activities.

Please send your children with the proper clothing so they may be comfortable and safe whenever we are outside. Staff will be actively engaged with the children during outdoor and large muscle activities. Children well enough to attend the center are considered well enough to engage in outdoor activities.

PARENT PARTICIPATION

We welcome parent participation whenever possible in the activities at the center. Parents have unlimited access to all areas of the building used for child care during our hours of operation. We do ask that upon entering the center, you let the director or a staff person know of your presence. We also encourage participation in conferences, fundraisers, lunch visits, and special events.

Staff is available to discuss a child's progress or needs at any time. However, due to staff responsibilities and schedules, parents are asked to make appointments when it is necessary to engage in any lengthy conversations. Staff wants to be able to focus on you and your child at these times.

If parents have any concerns or questions at any time it is recommended they first discuss it with the child's staff. If further discussion is necessary, the child care director would be the next contact person. The next person to assist with a resolution would be the branch director.

We encourage parents to bring concerns up when they occur. Often they can be addressed when they are little problems. We realize that you trust us with your little ones, and we want our relationship to be a good one.

CENTER POLICIES & PROCEDURES

TOY POLICY

The Y Preschool, Before and After School Enrichment, Day Camp and Teen Leaders programs do not permit toys or other outside items to be brought into the program, unless staff has set aside a specific day to do so. In keeping with the Christian principles of the Y, toy guns, swords or other weapons or toys with sharp edges are not permitted. Electronic devices such as iPods, iPads, tablets, Game boys, and cell phones are not permitted. Please guide your children in their choices of what to bring to the center. Staff may request that a particular toy not come to the center if such toy is causing problems among the children. Delicate toys or those that could lose pieces or be easily broken or lost should not be brought to the center. **For the safety of all persons in the Center, the Y reserves the right to examine the contents of backpacks, totes, etc. to determine that no weapons, either toy or real, are brought to the center.** The Y is not responsible for lost or broken toys.

CLOTHING AND SHOES

For full participation in our child care programs, we ask that parents adhere to the following guidelines when dressing their children each day:

- ✓ Tennis shoes (non-marking soles) must be worn daily.
- ✓ Children's shoes must cover the entire foot and be secured with ties or Velcro, unless it is a scheduled beachfront or swimming activity. Beach shoes will then be permitted.
- ✓ Pants/shorts should fit properly at the waist.
- ✓ Shirts with spaghetti straps or ill-fitting shirts are not permitted.
- ✓ Play clothes (clothing easier to care for) are preferred for both boys and girls as they are less restrictive and allow the child to fully participate in activities without worry of ruining their clothes during some of our messier activities.
- ✓ Proper swimwear must be worn for swimming activities. Girls **MUST** wear a one piece suit.

A complete set of clothes, clearly marked with the child's first and last name, may be left at the center. Please check this change of clothes seasonally to be sure it is appropriate and still fits your child.

NAPS

Children who have not fallen asleep after 30 minutes will be given the opportunity to engage in quiet activities on their cot.

BREASTFEEDING LOCATION

Please contact the Child Care Director for the site's specific location for mothers to breastfeed and/or pump breast milk.

FORMAL ASSESSMENTS

The program does not conduct formal assessments on enrolled children. The program does not report child level data to ODJFS pursuant to 5101:2-17-02 of the Administrative Code.

BIRTHDAY & HOLIDAY CELEBRATIONS

See your center director or administrator for the policy on celebrating birthdays and holidays.

All food brought to the center must be pre-packaged, store bought, nut-free and must have all ingredients listed.

BITING POLICY

Biting among preschool and school age children is not acceptable behavior and will be considered an aggressive act. Suspension may be implemented with the recommendation that the parent seek medical advice from the child's physician.

Akron Area YMCA Early Care & Education Immunization Policy

To ensure the health and safety of all the children we serve, all children must be immunized or in the process of being immunized against all of the diseases required by Ohio statute within 30 days of the program entry. All children enrolled in the program must provide a medical statement verifying immunization within 30 days of entering the program and every thirteen months thereafter while enrolled in the program. Effective June 1, 2018, children without immunizations will not be eligible to attend or enroll in our program unless the child is exempt from immunization for one of the reasons identified by Ohio statute.

ADA POLICY

Our YMCA child care centers ensure that we are in compliance with the Americans with Disabilities Act (ADA), which may include: administering medication and/or care procedures to children with disabilities. Our centers will make reasonable modifications in policies, practices, and procedures in order to accommodate all participants.
