Water Play Features may not always be operational during Open Swim times. They will be on during Family Swim. It is the Lifeguard's discretion to turn them

NOTES

Parents with children ages **5 years & under** must be in the water and within arm's reach of their child, and must remain where the parent can touch the bottom. Children ages 6-10 must have a parent on the pool deck at all times. We strongly recommend that parents of non-swimmers be in the water within arm's reach of their child, regardless of the child's age.

Swimmers ages 6 - 14 may be swim tested for a green band. Testing will be conducted when extra Lifeguards are on duty and available to do so.

Water Play Features may not be operational during open swim times. Please ask the Lifeguard or other aquatics personnel to turn them on.

It is the Lifeguard's discretion to turn them off for safety reasons or programming.
