Swim Policies

Swim Bands:

ALL swimmers ages 14 and under must have a swim band on before entering the water.

Please stop at the front desk when you check in and get your swimmer's white/red, red, or green swim band.

1:2 adult to child(ren) ratio. If red-banded swimmers do not pass height test, they are included in the ratio.

Swimmers ages 6 - 14 can test for a green band. Testing will be conducted when extra Lifeguards are available to do so.

Supervision:

Parents with children ages 5 years & under must be in the water and within arm's reach of their child. Adult must remain where the water goes no deeper than armpit level on the adult.

Children ages 6-10 must have a parent on the pool deck at all times. We strongly recommend that parents of non-swimmers be in the water within arm's reach of their child, regardless of the child's age.

Lap Swim:

Designated time for green-banded swimmers & patrons above the age of 14 to swim laps/exercise

Lane sharing is required

Water Play Features:

May not always be operational during Open Swim times

Will be on during Family Swim

It is the Lifeguard's discretion to turn them off for safety reasons or programming

We strive to ensure the accuracy of this schedule. However, open swim schedule is subject to change without notice.
