## CLASS DESCRIPTIONS

**Group exercise classes are for all levels of fitness. Inform the instructor if you are new to the Y, we are happy to show modifications for all levels of fitness.**

**Boot Camp** - Boot Camp is an action-packed cardio, strength and combo class that uses high-intensity intervals, plyometrics, strength and core training. This class is not recommended for pregnant women.

**Cardio Drum** - High intensity drumming providing a full body workout while remaining fun enough for anyone to do with no training and basic equipment.

**Beginning Cycling** - Learn the basics of cycling and gain confidence in a low intensity class while still getting a great workout.

**Cycling** - This class is a stationary cycling workout. It is designed to promote cardiovascular health and increase stamina. Cycling is led by an instructor and motivates you through fun music.

**Kettlebell** - Each workout can be done using just one kettlebell and your bodyweight. Mixing flexibility, mobility and strength. Kettlebell training and bodyweight training can be for beginners to advanced.

**Silver Sneakers Classic** - Have fun and move to the music during a variety of exercises. Designed to increase muscular strength and range of movement for daily living skills and activities, classic offers resistance using hand-held weights, elastic tubing with handles and a ball. A chair is used for seated or standing support.

**Silver Sneakers Yoga** - Yoga stretch will move your body through a series of seated yoga positions. Chair support is offered to increase flexibility and balance techniques.

**Seniorobics** - This class is designed to help build cardiovascular endurance, improve flexibility, promote balance, increase muscular strength and enhance your energy level.

**Senior Pilates** - This class strengthens and reshapes your abs, back and trunk using lengthening and strengthening exercises along with proper breathing techniques.

**Senior Toning** - Toning emphasizes strengthening and conditioning of all major muscle groups while also increasing flexibility. Toning is appropriate for all fitness levels.

**SHINE** - SHINE Dance Fitness brings original routines to life using hit music and choreography for all-abilities.

**Tabata (core)** - Combines aerobic and anaerobic segments with intense drills to boost your metabolism and increase our cardiovascular endurance. This class is not recommended for pregnant women.

**Toning** - Toning emphasizes strengthening and conditioning of all major muscle groups while also increasing flexibility. Toning is appropriate for all fitness levels.

**Yoga** - Yoga focuses on transitional flexibility movements and requires you to use body strength and proper breathing techniques. **(Beginner = For Beginners) (For Stretch = Extra Stretch) (Power = Harder)**

**Zumba** - Are you ready to party yourself into shape? Lose yourself in the music and find yourself in shape at the original dance-fitness party. Zumba classes feature exotic rhythms set to high-energy Latin and international beats. You are sure to burn calories and have fun!

**Dance & Dumbbells** - Utilizing different types of dance to get a full-body aerobic workout while adding in light work for toning, this class will provide fun, high energy fitness for all ability levels.
