Lap Lanes, Open Swim & Water Walking Policies

1-4 Lap lanes will be available by default throughout the week. We will have 4 lanes available on weekday mornings and 1 lane available at all other times that do not conflict with programs. We encourage swimmers to share lanes when it is crowded and circle swim. We may be able to accomdate a 2nd lap lane when needed, just ask the lifeguard on duty.

Open swim will occur in the other open spaces of the pool where there are no lap lanes.

Water walking along the full width of the pool is only allowed when there are no lap swimmers present. Once there is a lap swimmer swimming along the length of the pool, water walkers will need to stay in the open swim portion of the pool OR walk in a vertical lap lane.

10 minute safety break at the top of each hour during open / lap swimming when there is only 1 lifeguard on duty. This does NOT apply to program times. The lifeguard on duty reserves the right to forego safety breaks under special circumstances. Thank you for helping us keep our pool, swimmers, and staff safe!
